STATE OF NEW JERSEY
DEPARTMENT OF LAW & PUBLIC SAFETY
DIVISION OF CONSUMER AFFAIRS
BOARD OF PHARMACY

IN THE MATTER OF THE REINSTATEMENT : Administrative Action
OF THE LICENSE OF :
CARL ORTELL, R.P. : INTERIM ORDER
TO PRACTICE PHARMACY IN THE STATE OF :
NEW JERSEY :

RI 12339

This matter was opened to the New Jersey State Board of Pharmacy by the application of Carl Ortell for the reinstatement of his license to practice pharmacy, which had been previously suspended by way of a Final Order filed with the Board on August 31, 1989. As a condition to reinstatement, the 1989 order provided that all financial obligations to the New Jersey Medical Assistance Program were to be satisfied. Respondent has asked the Board for reinstatement of his license even though he is still indebted to that program in the amount of approximately \$7,000.

Carl Ortell appeared before the Board on April 12, 1995 and testified under oath in response to questions from the Board Members. Having considered that testimony and the letter authored by respondent's mother requesting her son's immediate reinstatement with the proviso that she would then loan respondent the money to repay the

medical assistance program, the Board has determined to enter the following Interim Order.

IT IS ON THIS *26th* DAY OF *April*, 1995,
ORDERED:

That the license of Carl Ortell to practice Pharmacy in the State of New Jersey shall be reinstated provided the respondent complies with the following conditions:

1. Respondent shall demonstrate his fitness and competency to resume the practice of pharmacy by submitting the following: 1) a psychological evaluation satisfactory to the Board from a Board approved psychologist or psychiatrist, and (2) respondent shall submit an evaluation satisfactory to the Board from a New Jersey State Board of Pharmacy approved preceptor attesting that respondent has successfully completed a forty (40) hour practicum within a one month period of time under that preceptor's direct supervision.

2. Respondent shall submit to the Board documentation of his successful completion of 75 professional continuing education credits, his score of 75 or above on a Law Exam recently administered by the Board, and his satisfaction of the outstanding monies due and owing by respondent to the New Jersey Medical Assistance Program.
